### ORDINANCE NO. 15.

## AN ORDINANCE REGULATING THE BREAKING UP, DIGGING UP, DISTURBANCE, UNDERMINING AND DIGGING UNDER THE PUBLIC HIGHWAYS, STREETS, THOROUGHFARES, ALLEYS, SIDEWALKS AND OTHER PUB- LIC PLACES IN THE CITY AND COUNTY OF HONOLULU.

Be it ordained by the People of the  
City and County of Honolulu:

Section 1. No person or person,  
firm or corporation shall, in any  
manner or for any purpose, break up,  
dig up, disturb, undermine, or dig  
under, or cause to be broken up,  
dig up, disturbed, undermined, or  
dig under, any public highway,  
street, thoroughfare, alley or side-  
walk, or any other public place in  
the City and County of Honolulu,  
without having first obtained a writ-  
ten permit therefor from the City  
and County Clerk.

Section 2. Any person, firm or  
corporation desiring a permit to  
break up, dig up, disturb, undermine  
or dig under any public highway,  
street, thoroughfare, alley or side-  
walk, or other public place in the  
City and County of Honolulu shall  
make application therefor, designat-  
ing the character and location of  
such excavation or breaking up, to  
the City and County Engineer or  
Road Supervisor or Road Overseer of  
the appropriate district. The City  
and County Engineer or Road Super-  
visor or Road Overseer shall forth-  
with file such application with the  
City and County Clerk, with the re-  
commendation of such Engineer or  
Road Supervisor or Road Overseer as  
to the time for which such permit  
shall be granted, and the amount of  
the bond, if any such bond shall be  
required as hereinafter provided.  
The City and County Clerk shall  
thereupon issue to the person, firm  
or corporation applying therefor up-  
on the filing of the required bond in  
the amount so recommended, a  
permit, limited in time as so recom-  
mended, to break up, dig up, dis-  
turb, undermine, or dig under, the  
public highway, street, thorough-  
fare, alley or sidewalk, or other pub-  
lic place as designated in such ap-  
plication. A separate permit shall  
be required for each place to be  
excavated or disturbed, and for each  
300 feet in length or fraction there-  
of of any continuous excavation or  
disturbance of any such place. If  
any person or persons, firm or cor-  
poration desires such permit for the  
purpose of laying underground wires  
for any telegraph, telephone or sig-  
nal system, the application for such  
permit shall be made direct to the  
Board of Supervisors, and as a con-  
dition to the granting of such per-  
mit the Board of Supervisors may  
require such person or persons, firm  
or corporation to furnish to the City  
and County of Honolulu, and place  
in position, conduit facilities for the  
laying underground by the City and  
County of Honolulu of wires for any  
police and fire alarm system or sig-  
nal system for use by the City and  
County of Honolulu.

Section 3. It shall be the duty of  
the City and County Engineer, and  
of the respective Road Supervisor or  
Road Overseers to oversee and in-  
spect all excavations and other dis-  
turbances for which a permit has  
been granted, and before any such  
permit shall be issued by the City  
and County Clerk, the applicant  
therefor shall pay to the City and  
County Clerk to cover the cost of  
such inspection and the issuance of  
such permit, a permit fee of the  
sum of fifty cents. All permit fees  
collected by the City and County  
Clerk under this Ordinance shall be  
turned over to the City and County  
Treasurer at the end of each and  
every month.

Section 4. The person or persons,  
firm or corporation to whom such  
permit has been issued shall place suf-  
ficient red lights on or near the work  
covered by such permit, and keep  
them burning from twilight to sun-  
rise, shall erect suitable railings,  
barriers or protection about all open  
trenches shall provide all necessary  
watchmen on the work by day and  
night, and shall take such other pre-  
cautions as may be necessary and  
proper for the safety and protection  
of the public, and as will effectually  
prevent any accident in consequence  
of the work done under such permit.

Section 5. Whenever required by  
the City and County Engineer or  
Road Supervisor or Road Overseer,  
any person or persons, firm or cor-  
poration applying for such permit  
shall, before such permit is issued,  
file with the City and County Clerk  
a bond, to the City and County of  
Honolulu, with two sureties, in such  
sum as may be designated by said  
City and County Engineer or Road  
Supervisor or Road Overseer. The  
condition of such bond shall be to  
indemnify and save harmless the City  
and County of Honolulu, and the  
officers and agents thereof, from all  
claims, demands, suits, actions or  
proceedings of every name, charac-  
ter and description which may be  
brought against said City and Coun-

ty of Honolulu, or any officer or  
agent thereof, for or on account of  
any injuries or damages to any per-  
son or persons, or property, received  
or sustained by any person or per-  
sons, firm or corporation, by or in  
consequence of any act or acts of  
the person to whom such permit is  
issued, or his agents or servants in  
or about the work covered by such  
permit, or by or on account of any  
violation of any of the provisions of  
this Ordinance by the person to whom  
such permit is issued, or by his agents  
or servants, and to pay to the City  
and County of Honolulu any penalty re-  
covered against the person to whom  
such permit is issued or his agents  
or servants for any violation of the  
provisions of this Ordinance and any  
expense which may have been in-  
curred by the City and County of  
Honolulu by reason of any violation  
hereof by such person, or by his  
agents or servants. Sureties on such  
bonds shall severally qualify before  
the City and County Clerk in the  
amount of the penal sum specified  
therein. In lieu of the bond above  
provided, the bond of a surety com-  
pany authorized under the law of  
the United States to become surety  
on bonds of public officers, and law-  
fully doing business in the Territory  
of Hawaii under the laws of the  
United States and of the Territory  
of Hawaii, may be accepted.

Section 6. Any person or persons,  
firm or corporation, who shall have  
broken up, dig up, disturbed, un-  
dermined or dig under, or caused to  
be broken up, dig up, disturbed, un-  
dermined or dig under any public  
highway, street, thoroughfare, alley  
or sidewalk, or any other public  
place in the City and County of Ho-  
nolulu, under any permit granted  
under the provisions of this Ordinance,  
shall forthwith, after the comple-  
tion of the work under such per-  
mit, place and put such public high-  
way, street, thoroughfare, alley or  
sidewalk, or other public place in as  
good repair and condition in every  
respect and particular as the same  
was before such breaking up, dig-  
ging up, disturbing, undermining or  
digging under, and upon failure so to  
do, the District Road Overseer or  
Road Supervisor may cause the work  
necessary therefor to be done, and  
the person or persons, firm or cor-  
poration to whom such permit was  
issued, shall be liable for the expense  
thereof to the City and County of  
Honolulu, and in addition thereto  
shall be liable in a criminal action  
to the penalties hereafter provided  
for violations of the provisions of  
this Ordinance.

Section 7. The City and County  
Clerk shall keep on file all recom-  
mendations issued by the City and  
County Engineer or Road Super-  
visor or Road Overseer under this Or-  
dinance, and shall keep a duplicate  
of all permits issued by him here-  
under.

Section 8. Any person or persons,  
firm or corporation, who shall vio-  
late any of the provisions of this  
Ordinance, shall be deemed guilty of  
a misdemeanor, and upon conviction  
thereof shall be punished by fine not  
exceeding \$250.00, and not less than  
\$5.00, or by imprisonment not ex-  
ceeding three months, or both.

Section 9. This Ordinance shall  
take effect and be in force from and  
after the date of its approval.

Introduced by  
WILLIAM AHIA,  
Supervisor.

Date of Introduction  
August 17, 1909.

Approved this 25th day of October,  
A. D.
